

阿斯图中俄青年·空天文化暑期研学营

ASRTU Youth Aerospace & Culture Summer Program

Overview

The program offers a 7-day study experience for students from ASRTU universities, which features **6** core items: **Aerospace Lectures, Engineering Training, Lab and Enterprise Visits, Traditional Chinese Culture Experience, Nanjing Exploration.** Participants will immerse themselves in the strong academic and research atmosphere of Nanjing University of Aeronautics and Astronautics (NUAA), deepen their understanding of aerospace field, and may have the opportunity to engage in exchange activities including the campus marathon and Chinese-international student gala, as well as NUAA Summer Lecture Program.

Highlights

Lectures&Labs: Attend aerospace lectures and visit labs, experiencing the academic atmosphere and research strength of NUAA

Engineering Training: Participate in industrial robot and UAV operation with intensive practical training.

Model Aircraft: Experience the full cycle of model aircraft design, construction and flight test.

Traditional Chinese Culture Experience: Deepen insights into Chinese culture and etiquette, participate in intangible cultural heritage workshops and practice Chinese martial arts

Nanjing City Exploration: Discover historical sites and experience the charm of Nanjing

Leading Enterprise Visit: Visit renowned high-tech enterprises to gain insights into China's high-end manufacturing and technological innovation.

Costs

- Program tuition, accommodation, meals, personal insurance during the stay in Nanjing are covered by NUAA.
- Round-trip travel expenses, travel insurance, and other personal expenses are borne by the participant.

Schedule

July 10 - July 16, 2026 (7 days)

Eligibility

- Current students of ASRTU member universities
- In good physical and mental health, capable of undertaking long-distance international travel
- With good English communication skills

Quota

ASRTU Russian universities: **3-4** quotas per university

Application

1. **Application Deadline: May 10, 2026**
2. **Portal:** scan the QR code and fill in the application form online
